An Industrial tour for the Second year of B. Pharmacy and First year, Second Year of D. Pharmacy was organized at Alkem Laboratories. The visit was organized on Saturday 19th October, 2019.

The participants in the visit were: 11 Students from D. Pharmacy 1st & 2nd year, 15 Students from B. Pharmacy II and year and 2 Faculty members

Alkem Laboratories Ltd. is a dedicated world leader in antibiotic formulation and development activities. Alkem is a Global leader in the development of enabling products, scientific knowledge, and technical expertise within a wide range of applications.

After the interaction students were divided in each 10 for the round in the unit. In this round students were taken through Production department, storage facilities, manufacturing facilities, packaging facilities, QC and QA department etc. and The visit was so exciting and interactive that it took us around two and a half hours to just have a look on available facilities. At the end after coming out of the company, students individually thanked the officials for permitting them to visit such an exceptional pharmaceutical unit. They also appreciated the College for organizing such an event, which will help them decide their path towards success in future.

The tour was comfortable and entertaining
