## **“Teej” celebrations (10<sup>th</sup>, August 2021)**

This time we have encouraged the online celebrations of “Teej” that hitherto was celebrated in the College premises. *Teej* is primarily a festival celebrated by girls and women mainly, in the northern and western parts of India. The festival of *Teej* celebrates the bounty of nature, arrival of rains and greenery surrounded by social activities, rituals and customs. The students of Sachdeva College of Pharmacy celebrated *Teej* with great joy. Many students made short videos of folk dances and songs associated with *Teej*, popularly called *Teeyan* in Punjabi. The girls donned traditional dresses; the pics were clicked and sent to the respective class teachers. A *Giddha* was also performed by one of our students along with her neighbouring friends, at her home. Celebration of such festivals helps students to stay connected with their roots and culture. The e-certificates were given to the participants.
