

WORLD PHARMACIST DAY 2021

Theme:- Pharmacy: Always Trusted For Your Health

Sachdeva College of Pharmacy, Gharuan (Mohali) celebrated World Pharmacist's Day on 24th September 2021. International Pharmaceutical Federation (FIP) first observed the World Pharmacist Day in 1912. The day had been marked to celebrate and recognise the role of pharmacists in the field of health sector. The World Pharmacists Day is celebrated by Pharmacists to promote their commitment to organise activities that promote and advocate for the role of the pharmacist in improving health in all parts of the world.

THEME:- The theme declared for World Pharmacist Day 2021 was "Pharmacy: Always Trusted For Your Health". The theme of this year had been chosen to draw special attention to the trust in the health sector and the practice of pharmacy. As people are still reeling under the ongoing pandemic, the theme for World Pharmacists Day this year is "Pharmacy: Always trusted for your health". Developed by the International Pharmaceutical Federation (FIP), the theme has been picked to focus on the practice of Pharmacy keeping in mind the diverse clinical settings and also the importance of trust in healthcare services.

HISTORY: In 2009, World Pharmacists Day was introduced by the International Pharmaceutical Federation Council in Turkey's Istanbul city. The date, 25 September, was selected as World Pharmacists Day because, in the year 1912, the International Pharmaceutical Federation was originally established on this day.

Keeping this foundation in mind, the Turkish members of the council proposed that 25 September will be observed as World Pharmacists Day.

SIGNIFICANCE: This special day reminds and urges the global community to recognise the significant role played by Pharmacists in society. The community further spreads awareness with events and activities that promote improving world health. While observing this day, communities across the world release a new topic every year through which organizations in the pharmaceutical business highlight the wonderful work Pharmacists do in improving people's health.

Prize distribution

After the excellent programme in which the students performed song, dance and stage mini drama etc., the audience was highly impressed by the programme. The winners were announced. It was decided that the distribution of prizes among the winners will be held on the Freshers' Day. The HoD advised the students to concentrate more on studies and keep away from politics and any bad habits. She also said that students should take responsibility to serve the country through honesty and integrity. The entire programme was a nice display of discipline by students and organizers.

Valedictory Remarks:-

On this occasion of World Pharmacist Day 2021 celebration, all the students and staff actively indulged in the preparations, thoroughly enjoyed, learnt, interacted and enthusiastically participated to make the event a huge success. The stage was brilliantly handled by Ms. Mrinal and Mr. Deepak Kumar. The pharma-club students' team did a great job in managing all the events, discipline, and decoration with good teamwork. We are also thankful to our HoD, teaching staff as well as non-teaching staff for their contribution towards the event, and last but not the least our students for their participation in all the competitions and cultural activities and also coming up with such enthusiasm and talent which lead to the great success of the event.
