Holi celebrations (17/03/2022)

Holi is the unique and colourful celebration of many myths, legends and deities associated with it. It has many interesting facts and figures which is important for the people to know. The festival of colours is very significant for our lives and body in various other ways than providing fun and the joy. Keeping this in mind,

Sachdeva college of pharmacy, Gharuan celebrated this event on 17/03/2022 with students and staff. The venue for celebration was college ground. It incorporated so much fun on the college campus.

This festival was celebrated as it can keep the traditions and the culture of the festival alive. The festival has given lots of enjoyment and excitement to the college authorities. The event started with special dance performances by the students.

Dance by students of BScMLS 2nd Sem

Dance by students of B.Pharm 4th sem

Selfies taken by students to make their day memorable for the years.

The celebration made many of them to appreciate their strong connections with different cultures. During the celebration, students felt a sense of togetherness and goodwill. The red, orange, green, blue, yellow, brown and white all mingled as the heavy rain poured at the right time making everyone unrecognizable, but awed and happy about the unique experience.
