

GUEST LECTURE CONDUCTED ON SEPTEMBER 14, 2022

Sachdeva College of Pharmacy, Gharuan organised Guest lecture on the Topic of “Difference between Theoretical and Practical Aspects of Current Study and Syllabus “on 14th September, 2022.

The lecture was delivered by **Ms. Monika Rana, PPIC Head, BRD Medi labs, Baddi** as Resource Person. She emphasized the need to go beyond textbooks and imbibe the knowledge from all the spheres for the overall development of any pharmacist. The important processes for the manufacturing of the tablets and capsules were explained. She covered each and every small aspect of the tablet making to tablet packaging with specifications by giving day today’s life examples. She encouraged and motivated students to take up challenges and put efforts to achieve excellence in their life. Further, the discussion led to Q & A session where students asked questions.
