INTERNATIONAL WOMEN’S DAY CELEBRATION (2023)

The International Women’s Day was celebrated at Sachdeva College of Pharmacy, Gharuan on 7th March, 2023. The theme of celebrating Women’s Day is – “DigitALL: Innovation and technology for gender equality”. The theme focuses on the repercussions of the digital gender gap, which exacerbates economic and social inequalities. Additionally, it also highlights the criticality of safeguarding the rights of women and girls in digital domains and confronting gender-based violence facilitated by online platforms and ICT.

A short program was conducted in the Seminar Hall of our college. The program was commenced by lighting the lamp by all the dignitaries. After this, our respected Principal sir Prof. S.P. Goel gave a short speech on Women’s Day. It was a great moment when a woman from the women’s group voluntarily came forward to share her views, desires and aspirations. Our HoDDr. Vandana Kharb spoke from her own experience that we too had desires and aspired that we want to be someone. The programs proceeded with lot of cultural programs. The celebration ended with a great triumph.
