

### **HOLI Celebrations 7<sup>th</sup> March 2023: Let the colors shower joy**

Holi is a celebration of colors, an experience of content, harmony, and delight. The most colourful and vibrant festival of India – Holi was celebrated with splash of colours at Sachdeva College of Pharmacy, Gharuan. The atmosphere on 7<sup>th</sup> March 2023 was marked with fun and fervor as all students celebrated this vibrant festival. The college following the green and global practices had arranged for safe organic herbal Holi colours. The academic courtyard was filled of enthused students who also sprinkled colours on each other. Holi is the festival which commemorates the victory of good over evil, brought about by the burning and destruction of the evil demon named Holika. So the spirit of Holi taught the students to follow good conduct in life and believe in the virtue of being truthful and honest. The festival marks the end of winter and the abundance of the upcoming spring harvest season. The Principal, Prof. S P Goel stated that Holi is a festival of new hope, new beginning and new opportunity. He reiterated to forget, forgive and start afresh and advised the students to play only with organic colours. The Head of Department Prof. (Dr) Vandana Kharb wished everyone a happy and safe Holi and applauded the efforts of all the faculty members and students for organizing this great event. The staff also got together with the festive energy and wished for happiness and prosperous days for all. The students of Sachdeva welcomed spring, season of hope with songs, dance and bright colours which were the major highlights of this vivid and lively festival. These bright colors are believed to signify energy, life and joy.
