

INDUCTION TRAINING PROGRAM FOR NEW STUDENTS 2023(16/08/2023 - 18/08/2023)

Sachdeva College of Pharmacy, Gharuan (Mohali) conducted three days induction program for first year students of Pharmacy course on 16th August to 18th August 2023.

The objectives of the program is to make the students feel comfortable in their new environment, open them up, set a healthy daily routine, create bonding in the batch as well as between faculties and students, develop awareness, sensitivity and understanding of the self, people around them, society at large, and nature. The time during the Induction Program is also used to rectify some critical lacuna and sensitize them towards exploring their academic interest and activities, reducing competition and making them work for excellence, build relations between teachers and students and overall personality development.

The following major activities under the induction programme in which the students would be fully engaged throughout the day for the entire duration of programme, this includes:

1. Indoor Game : This would involve a daily routine of physical activity with games and sports which will help them to develop team spirit.
2. Creative arts: Every student would choose one skill related to the arts whether visual arts of performing arts example are poster making, dancing street play, music etc.
3. Universal human values: It gets the student to explore on self and allows one to experience the joy of learning stand up to peer pressure, take decisions with courage by Debate and Quiz.
4. Lecture by HOD : This period can be utilized for lectures by Dr. Vandana Kharb it would give the students exposure to people who are socially active or are in public domain.
