

National Pharmacy Education Day: 6th March 2023

In view of the “National Pharmacy Education Day”, the *SACHDEVA College of Pharmacy* celebrated the same event on March 6, 2023 at the College Campus with great Zeal & Enthusiasm.

All the faculty staff and Students (M-Pharm, B- Pharm & D-Pharm) participated in the said event. In the college Seminar Hall, all the students assembled including the Faculty members where Honorable Principal Prof. S.P Goel made a keynote speech by highlighting the significance of celebrating this National Pharmacy Education day.

During the day, many activities including Curricular & Recreational were held for the celebration. The Poster Presentation, Extempore discussions & debates with respect to Poetry, Quiz etc are few to highlight the celebration.

In the conclusion, the Head Of Department Prof.(Dr.) Vandana Kharb addressed the audience and appreciated the efforts put-forth by the students and pharma-club members for making this event successful and further advised that the event in future should be organized and held with new creative ideas and also include and engage the local community.

Here are few glimpses illustrated by photos during the celebration:
