

## 2nd National cGMP Day Celebration at Sachdeva College of Pharmacy

Date: 10th October 2024

Venue: Seminar Hall, Sachdeva College of Pharmacy

Sachdeva College of Pharmacy successfully celebrated the 2nd National cGMP Day with the theme “Think cGMP – cGMP is Quality”. The event aimed to highlight the critical role of current Good Manufacturing Practices (cGMP) in ensuring the quality and safety of pharmaceutical products.

The event began with an introduction to the significance of cGMP in the pharmaceutical industry. Two talented students, Palak from M. Pharmacy (1st Semester) and Anjali from B. Pharmacy (7th Semester), delivered oral presentations on various aspects of cGMP. Both presentations were well-researched and informative, shedding light on the importance of maintaining stringent quality standards in pharmaceutical manufacturing.

In a competitive spirit, Anjali from B. Pharmacy (7th Semester) emerged as the winner of the oral presentation competition with her excellent presentation skills and comprehensive understanding of cGMP practices.

The principal of the college, Prof. S.P. Goel, delivered the vote of thanks, expressing his appreciation to the students for their insightful presentations. He emphasized the importance of adhering to cGMP guidelines to ensure the production of safe and effective medicines and praised the efforts of the students for their dedication to learning and promoting quality in the pharmaceutical field.

The event concluded with an interactive session, where students and faculty discussed the evolving trends in cGMP and their impact on the pharmaceutical industry. The celebration of the 2nd National cGMP Day was a resounding success, inspiring students to uphold quality in all aspects of pharmaceutical science.
