

National Pharmacy Education Day: 6thMarch2024

In view of the “National Pharmacy Education Day”, *the SACHDEVA College of Pharmacy* participated in the celebrations as directed by PCI under Pharma Theme. This year's theme, was "Entrepreneurship & Startups in Pharma and Pharmacy Practice: Encouraging Innovation, Incubation Centers, and Pharmaceutical Startups".

The event was celebrated at the College Campus with great Zeal & Enthusiasm. All the faculty staff and Students participated in the said event. In the college Seminar Hall, all the students assembled including the Faculty members. During the day, many activities were held for the celebration. The Poster Presentation, Rangoli etc. are few to highlight the celebration. Our dedicated students demonstrated their passion through inspiring delivered powerful speeches, showcasing their commitment to the theme's essence. Prize was distributed to the participants of event.
