

## **Sachdeva College of Pharmacy - a report on Hospital Visit**

Date: 4 April, 2025

Name of Hospital: Civil Hospital Kharar (Mohali Punjab)

The Sachdeva College of Pharmacy organised a 'Hospital Visit' for Diploma Pharmacy students. On April 4, 2025 a total of **19 students** accompanied by one faculty member viz. Mr. Imran Bhat toured a multi-speciality Government Civil Hospital as part of course requirement in bridging the gap between theoretical learning and Practical application which nurture students further in preparing for a career in hospital pharmacy.

The visit meticulously coordinated with SMO Hospital, aimed to provide students with practical understanding of Hospital Operations in general, however the primary objective of the visit was to familiarize the students with the hospital pharmacy operations, documentation and record keeping. The group arrived promptly at 11:00 morning and started visiting various sections of the hospital viz. OPD, registration section, IPD, Immunization and Blood bank to name a few. The visit later followed by a detailed tour to central, inpatient and OPD pharmacies. This first-hand experience allowed the students to observe daily operations and understand the critical role and responsibility of a hospital pharmacist.

By the end of visit, students had a comprehensive understanding of the hospital pharmacy practice equipped with practical knowledge of daily hospital pharmacy operations, drug dispensing, prescription filling, documentation and interdisciplinary collaboration for the patient care.

Below a few visuals illustrate this vibrant visit
